Case Study Presentation

Harris County District Attorney's Office

Thursday August 3, 2017 – 9AM to 4PM

The Children's Assessment Center | 2500 Bolsover | Houston, Texas 77005

OBJECTIVES:

- *Participants will learn about the extensive coverage and data collected by a news reporter on educator-student relationship.*
- *Participant will be able to describe roles and obligations of reporting within school districts, and the role of TEA.*
- *Participant will be able to discuss how HISD PD investigates allegations and what the barriers are in such investigations.*
- *Participants will be introduced to a case study and will be able to discuss community response and media response to such a case.*

(6.0 CE's will be provided for LPC, LMFT, CPE, Social Work. TCOLE pending.)

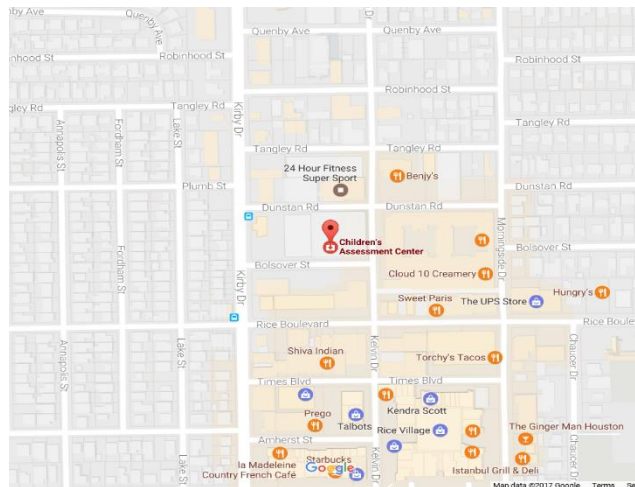

**Day-long trainings for non-members are \$40; \$20 for members
(fees include lunch and refreshments).**

RSVP: catf@tcftm.org by July 27, 2017

Children's Assessment Center (CAC)

**2500 Bolsover
Houston, Texas 77005
713.986.3300**

(RSVPs are NOT managed via this phone number.
Directions and questions regarding the CAC are available at this number.)

From 610 West Loop: Take 59 towards downtown and follow directions below.

From 59 northbound: Exit Kirby and turn right. Bolsover is a small street without a traffic signal between Bissonnet St and Rice Boulevard. Turn left on Bolsover, and the CAC will be on the left. Public parking is available in the attached garages. Enter the building and the main reception desk will direct you to training.

Please allow sufficient time for parking, security, and registration.
